Education

PhD, University of British Columbia
MSc, University of British Columbia
BSc, University of British Columbia

Research Areas / Keywords

Decision making to improve decision quality.

Biography

Joe Arvai is an associate professor of Strategy and Global Management and is the Svare Chair in Applied Decision Research in the Haskayne School of Business, and the Institute for Sustainable Energy, Environment, and Economy. Prior to coming to the University of Calgary in 2011, he was on the faculties of Michigan State University (2006-2010) and The Ohio State University (2001-2005). He received his PhD in the decision sciences from the University of British Columbia and he also holds degrees in Ecology and Oceanography (BSc and MSc, respectively).

Research Interests

Dr. Arvai's research focuses on advancing our understanding of how people process information and make decisions, both as individuals and in groups. A second objective of his research is to develop and test decision support tools that can be used by people to improve decision quality across a variety of social, environmental, and economic contexts.
