Education

MSc, MIT Sloan School of Management

Biography

Peter Tertzakian is the Chief Energy Economist and Managing Director of ARC Financial Corp. He is also the bestselling author of *A Thousand Barrels A Second* and *The End of Energy Obesity*. Peter is responsible for ARC's strategic investment research and oversees publication of *ARC Energy Charts*, a weekly journal of energy trends. Peter's background in geophysics, economics and finance have established him as an internationally recognized expert in energy matters and a highly sought after guest speaker.
